

## EXPOSURE VISIT TO PANCHAYAT BHARDA KALAN BLOCK AKHNOOR

### Zero Waste Management Project

A three day training cum exposure visit on "Swachh Bharat Mission" was organized from 07<sup>th</sup> to 09<sup>th</sup> November 2016 under the course coordinator ship of Dr. Ruchi Gupta. The participants included District Panchayat Officers, Block development officers and Inspector Panchayats of Rural development department . The training programme provided guidance to the participants for effective planning and implementation of Swachh Bharat Mission (rural) and also sensitized them about the innovations in rural sanitation which are being practised at various parts of the country. Since Himachal Pradesh is one of the leading States in Swachh Bharat Mission, and also being our neighbouring State with similar topography, an external resource person from Himachal Institute of Public Administration Shimla Mr. Ravinder Kumar was invited for experience sharing with our participants. Also, an exposure visit was conducted to Bharda Kalan panchayat of Akhnoor block where pilot project on Zero waste management is being implemented.
